BREAKFAST TABLE CAPTAIN INVITE

Friday, September 15, 2017 | Adams 12 Five Star Schools Conference Center
Check-In 7:00 AM | Event 7:30 – 8:30 AM

Dear Friend –

We are respectfully inviting you to join us as a Table Captain for our 2017 'Catalyst for Change' Breakfast that is scheduled to take place on Friday, September 15th. As a Table Captain, not only will you be highlighted as a champion for children and youth, you will invite colleagues, friends and family to support our effort, and collectively you will help drive measurable, intentional work with the greatest return on investment... our future workforce and community!

We, the Adams County Youth Initiative (ACYI), unequivocally believe that key components to a successful community include academic achievement, and the safety and well-being of its children and youth. **When children and youth succeed, our community succeeds.** Why? Because children and youth become our workforce, leaders and community members and it's no secret that communities who have a talented workforce attract and retain employers. With jobs, income, benefits, etc., families are able to live and contribute to a better quality of life. ***This IS our true north.***

As a nonprofit, ACYI, works to MOBILIZE and support a partnership of stakeholders, which is comprised of approximately 75 organizations including five school districts, eight law enforcement agencies, seven cities, two unincorporated communities, and a broad range of nonprofit, faith, business, and philanthropists, to drive academic achievement and the safety and well-being of children and youth. **We do this by leveraging data, community expertise and collaboration using the Continuous Improvement practice to... Measure What Matters. Identify Best Practices. And Spread What Works.**

We focus on a new level of intentionality around serving children and youth in our community to ENSURE results by supporting and empowering partners to remain focused on improving identified Cradle to Career Outcome areas by:

- Focusing on local data
- Using real-time data monitoring
- Shifting focus from programs to processes
- Taking action based on results

When children and youth are meeting benchmarks in identified Cradle to Career Outcome areas, their potential for long-term success greatly increases.

We hope that you will join us, along with over 300 anticipated guests from the business, public, education, faith and nonprofit sector, in support of our work through the 2017 Catalyst for Change Breakfast.

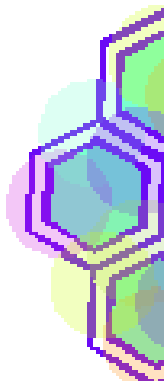

The following pages contain an outline of the Table Captain role. To step up in support, simply fill out the following form and return it to us or contact Lisandra Gonzales at LisandraGonzales@ACYI.org or 720.972.4049. Thank you for your support!
